

20 December 2021

Dear Parents and Carers

### Teenage Cancer Trust

We have recently been inspired by our Year 9 boys who have gained national attention for the money raised to support one of our students who has recently been diagnosed with Non-Hodgkin's Lymphoma. The amount raised has massively surpassed the initial target of £500! A huge thanks to anyone who has already contributed.

It is heart-warming that we continue to receive cheques from around the country from people who wish to contribute. We would therefore like to extend this opportunity for all students to [#beinspirational](#) and help to contribute to raising the funds needed to support Teenage Cancer Trust. We are therefore asking for students to donate £1 if they wish to wear something festive on **Wednesday 22 December 2021**. This money will be collected at the school gates.

Along with their full uniform, students can wear either a badge, a pair of Christmas socks, a piece of tinsel or a Christmas hat along with, or instead of, a festive jumper. My request is that the item doesn't distract from our belief that every lesson counts, which means that learning continues up to the end of period 5 on Wednesday.

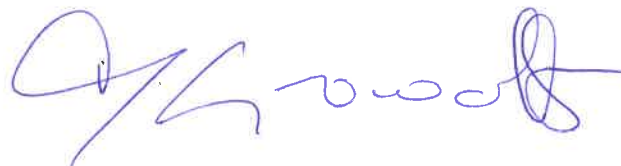

Please continue to keep updated on this charity event as well as some of the other phenomenal work that our students do by following us on our twitter account [@oahaslandhall](#).

May I use this opportunity to extend my best wishes to our students and families over the festive break. Merry Christmas and a peaceful New Year

Yours sincerely

Mr Ian Cooper  
Head of School

Mrs D Growcott  
Deep Support for Charity and Community Lead  
Head of Creative Arts
