Dear Parent/Guardian,

Ski Trip 2024 - Evening Activities

Following my visit to the resort over the Christmas break, I have been strongly advised by our provider that we must book externally organised evening activities prior to departure. If we do not, we may not be able to do any, as there are not many options and it is expected to be busy. .

If you would like to take part in an evening activity please select one or both activities below and return the slip to the PE department. Once this has been done, parent pay will be updated to reflect your selection.

On evenings where there are no organised activities, we have access to a TV/games room and a lounge in the hotel. The rooms are also apartment style so there is plenty of space for students to play cards/travel games that they bring.

Please note, if an activity is not selected, it will not be possible to add students upon arrival. If there are less than 10 students, the activity will not take place. The amount of spending money should be reduced, as this is suggested to include the cost of activities.

Yours sincerely.
