Dear parent / carer,

Currently your child is studying both French and Spanish at Outwood Academy Hasland Hall. As we move into year 8, and hopefully onwards into GCSE, your child has a choice about their future language learning with us.

- Your child can continue studying French in year 8 and 9 and then have the option to continue with this language into GCSE; or
- Your child can continue studying Spanish in year 8 and 9 and then have the option to continue with this language into GCSE; or
- Your child can continue to study both languages in year 8 and 9 and then have the option to do either language at GCSE; or
- If they have no real preference which language they learn, then we will be happy to choose for them and place them where we think they are most likely to succeed.

We would like to have your input in this process. Therefore, we would suggest you speak to your child before they complete the Google Form, which will be shared via google classroom. If students cannot access the google form at home, they can complete the form in the homework club or they should see their language teacher for a paper copy. As ever, we will aim to satisfy all students' needs but cannot guarantee it.

Google Forms are to be completed by Thursday 18<sup>th</sup> May.

Kind Regards

Sarah Houlton
