Dear Parent/Carer,

The Outwood Honours Programme

I hope you are now all able to access the Parent and Carer Portal, which allows you to see your child's Praising Stars online, as well as see information about their praise, consequences and attendance.

Today I have had the pleasure of announcing the new Outwood Honours Programme to our Year 7 and Year 8 students in assembly.

Students can log onto Honours via the Parent and Carer Portal button on the school website, using their school email address. The Honours Programme is made up of 100 badges that students can achieve both in and out of school. Academy staff members may award these as part of a series of lessons and enrichments. Students can also request badges, but must provide evidence of their achievements, showing their tutors before the badge will be awarded.

The Honours Programme has been designed to encourage students to strive to be the best versions of themselves, to take ownership in their own development, and to acknowledge their achievements both inside and outside of school.

It would be great if you could speak to your child about the Honours, encourage them to show you the available badges and encourage them to achieve different badges.

Yours faithfully,

Mr A. Petty
