Dear Parents/Carers

Results day

There is no doubt that for Year 11 students the circumstances surrounding the COVID-19 pandemic have come at one of the most significant times in their academic lives. As we approach the release date for the Teacher Assessed Grades I hope we can provide the support and reassurance to help them look forward to the next stage of their academic journey.

Please find below the arrangements for results day:

Year	Date	Day	Time	Location
11	12/08/2021	Thursday	08:00 - 11:00	Gym

There will be plenty of teaching and support staff on hand to provide students with good quality advice and guidance about the next steps for our students as well as to help them celebrate their successes.

The collection of exam results is a rite of passage for all young people and will be a memory that they share with friends and family many times in the future. If you would like to join us in the academy to share in this experience then you will be very welcome. It may be that we limit access to the main hall if it gets very busy as not all students and their parents are comfortable being in large groups at the moment.

I look forward to seeing all of our students on these dates and congratulating them on their achievements.

Yours sincerely

Ian Cooper
Head of School
