

October 2023

Dear Parent/Carer

Year 11 GCSE Securing Success Evening: Wednesday 25th October

We would like to invite you to our Year 11 Securing Success Evening GCSE. The evening will consist of a presentation outlining the coming weeks for your child. Subject specific revision materials will be available as well as an opportunity to discuss your child's progress with Core subject teachers.

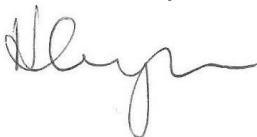

There will be the opportunity to visit our 'how to revise' stand to ensure you are well equipped to understand how to support your child with their revision.

At this very critical time of the year, the information evening will provide you with guidance and key information, including revision material to support, encourage and monitor your child's progress. We will support you and your child to enable them to manage their time, discuss revision strategies and answer any questions that you have.

We hope you will be able to join us with your child for this essential evening of information. There will be two opportunities to view the presentations, one at 5:30pm and the second at 6:30pm. Please can you click on the attached link to indicate the session you would like to attend.
