

October 2022

Dear Parent/Carer

Year 11 GCSE Information Evening: Wednesday 12th October (5:30pm or 6:30pm)

We would like to invite you to a Year 11 Information Evening for GCSE subjects. The evening will consist of a formal presentation focusing on your child's core subjects; English, Mathematics and Science. Following the presentation you will have the opportunity to visit option subject stands, these stands will be staffed by your child's teaching staff who will be able to offer advice and support to tailor revision for every subject.

At this very critical time of the year, the information evening will provide you with guidance and key information, including revision packs to support, encourage and monitor your child's progress. We will support you and your child to enable them to manage their time, discuss revision strategies and answer any questions that you have.

We hope you will be able to join us with your child for this essential evening of information. There will be two opportunities to view the presentations, one at 5:30pm and the second at 6:30pm. Please can you indicate on the slip which session you will be attending.

Yours faithfully

Mr I Cooper
Head of school

Mrs H Keenan
Vice Principal

Year 11 Information Evening Wednesday 12th October 2022
